Hi Joe,

I write to follow up on our meeting yesterday.

First, we would like to thank you and your clients for taking the time to meet with us and explain Sweetch's business model and its creators' vision.

You requested we refrain from issuing a cease and desist letter to Sweetch, Inc, until you and your clients had some time to think about changes you could make to the business model that would address the City's concerns regarding the violation of its municipal code.

This office is willing to refrain from issuing the cease and desist letter until the close of business on Wed, July 2, but requests the following: 1) that a formal request for the delay be made, and the reasons for the request be articulated therein; and 2) that by the close of business Wed July 2, you inform us whether meaningful changes will be made, or not.

Please keep in mind that all correspondence is subject to public disclosure pursuant to the Sunshine Ordinance.

Thank you,

Michael Weiss
