2 **DOWN BELOW GANGSTERS**

3 91. DBG gang members also tattoo their gang symbols on their bodies , a more permanent  
4 pledge of their gang membership and allegiance. Often DBG gang members get tattoos on very visible  
5 places on the body so as to flaunt their gang allegiance and membership which intimidates the  
6 community. It is common, within the Proposed Safety Zone, to see known DBG gang members  
7 displaying or flashing gang-related tattoos featuring the above gang symbols.

8 92. Below are examples of photos of the DBG gang tattoos described above.
